Maybe even better than free.

It is also allowed to link to the download page from websites and communities. Our service is completely free for everyone. Unfortunately, we can't make that part free. If only we could, we surely would! On the other hand, using file can actually save you money. There are no restrictions on the number of times a file can be downloaded. Alternatively you can choose to share your download links on blogs, forums and social networking sites. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costingyou money in data storage fees. So try our free and simple filehosting service now. We have no file size limit. Why pay storage fees for a file that you justwanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. You decide who youwant to share your files with. The cost of that data transfer is covered by your internet service or the data plan on your phone. Using file, you can circumventthose limits without paying to upgrade your team chat service. Keep your files private, or send your download links only to friends or family. You can give thisdownload link to your friends by mail or instant messenger. Any file in any format can be uploaded and downloaded for free. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from ourservers to your friends device. You don't need any special software installed to be able to download your files. When you use file, you avoid storing the fileyou're sending in your cloud storage or mail server. You can upload any type of file (movies, music, documents, images, zip files and more). File is free to usewith no gotchas and no hidden fees. Simply upload your file and share the link. Files can be downloaded from any computer from our high speed servers. Justupload the file you want to share with your friends and we send you a download link to your file. filehosting provides an easy possibility for you to send largefiles to your friends. No account or credit card is required to get started.
